Nomination of Michael F. Wehner as a Fellow of the Society

Michael F. Wehner joined PCNS in 1996, and during his first 30 years of membership has significantly contributed to the field of Numismatics through original research which has appeared in PCNS publications and in those of other numismatic organizations:

- PCNS Bulletin — numerous short articles beginning soon after he joined the Society
- Revised the catalog of *Tokens & Medals of the PCNS* (with David Lange, 2002)
- PCNS Papers — Michael has submitted papers most years in which PCNS has held a contest since he joined, receiving numerous awards for his research.
    1. The Denman Grammar School Medals of San Francisco (2006)
    2. California Gold Rush Bills of Exchange (2008)
    3. The Folsom Asparagus Gin Company (2014/15)
    4. The Great Seal of California, Deconstructed (2016)
    5. Moses Gunst Has Went (2017)
    6. Colonel Warren: First Medals for the California Agricultural Fairs (2018)
    7. Roma Pacifica (2019)
    8. The Crimean War Medal of San Francisco (2020)
    9. The Generals of the Mexican War (2021)
    10. The Henry F. Muller trade token hoard (2022)
    11. The Nobel Prize Medals (2023)
    12. The Medals of the San Francisco Mechanics' Institute Industrial Expositions (2024)
    13. Municipal Bonds in Gold Rush San Francisco (2025)
    14. Et Tu Lorenzini? (2026)
- His writings also have been published in *The Numismatist* (ANA), the *MCA Advisory* (Medal Collectors of America), and the *TAMS Journal* (Token & Medal Society).

✦

Based on his significant original research in the field of Numismatics, it is our unanimous recommendation that PCNS elect Michael F. Wehner a *Fellow of the Society*.
