

PCNS Minutes for September 25, 2021

The September 25, 2021 meeting was our annual BBQ picnic starting at 1 PM. It was graciously hosted by Federico Castillo, his wife Angela and son Federico Jr. In attendance were President Jason Macario, Treasurer Stephen Huston, Secretary Charlie Catlett, Governors Paul Turner, and Ed Treuting, as well as Bill Hyder, Michael Wehner, Mark Clark, Mike McDaniel, Jeff, Brett, and Alice.

The menu included salad, rice, beans, salsa, guacamole, barbequed ribs/chicken/sausage/veggies, and desserts, with plentiful beverages. Nobody went away hungry.....

We held a brief meeting starting at 2:25 PM, in which Jason announced upcoming shows and symposia. We had a toast in remembrance of Jerry Schimmel.

Jason also presented awards for the 2021 Papers Contest. The 2019-2021 papers are ready to be published, and those details will be worked out.

Third Place: Herb Miles, The Little Rock Nine. Herb could not attend the meeting and will be sent his award medal

Second Place: Charlie Catlett, A Snail's Tale

First Place: Michael Wehner, Generals of the Mexican War

There are still openings for three positions in the club: Papers Contest, Archives, and Raffle Prize coordinators. Mike M expressed interest in the Raffle position, more to follow.

Michael reported that the Newman Numismatic Portal has scanned all of the papers and journals he sent them, with the originals to be sent back to him. If you search under periodicals, look under Q for Quarterly issues and P for Papers.

Finally, Jason handed out red and green PCNS tokens to each attendee as a little thanks for attending. The socializing then resumed.

Respectfully submitted,
Charlie Catlett, Secretary PCNS
